Founder's Message

Dear LOLT Family,

With joy and immense pride I share with each one of you as our extended family that we have completed another financial year with amazing success.

I am taking the liberty of highlighting a few - Our Project Anando has spread its wings to Angul Tehsil, Angul District, Odisha and as a pilot initiating Project Anando to cover 420 children across six centres. At the same time we have continued to increase our presence in Maharashtra. Project Anando has so far impacted 14473 children and 812 teachers directly and 119814 community members indirectly across more than 660 villages in the states of Maharashtra, Madhya Pradesh, Rajasthan & Odisha.

At the same time our Project Jagruti has also spread its wings opening Livelihood Training Centres in Maharashtra in Taloda Tehsil, Nandurbar District; Cuffe Parade, Mumbai, Mumbai District and Murbad Tehsil, Thane District. The Medical Mobile Unit reached out to the villagers in Murbad Tehsil, Thane District, Maharashtra, providing them with basic healthcare facilities at their door step in partnership with SBI Mutual Fund and Bayer Care Foundation. Project Jagruti has so far reached out to 18628 community members across three major programmes covering 04 districts in Maharashtra through 07 centres and impacted 31425 lives indirectly.

Most of you have been a part of the Marathon for successive years as you have with your magnanimous generosity donated to LOLT through the platform of "United Way of Mumbai". Let me assure you that all donations made by each one of you on behalf of LOLT have reached us without any deductions of whatsoever nature. My immense gratitude for the solidarity expressed by each one of you and for being there with our children and our beneficiaries through the platform of the Marathon for each successive year.

It is only with your unconditional love and support that as the Founder & Managing Trustee of LOLT, the lifetime status and title of 'Change Legend' was bestowed upon me for our collective fundraising achievement in the Tata Mumbai Marathon 2020. Simultaneously LOLT was

acknowledged as one of the top NGO's as it reached the Platinum Privilege level for the year 2020.

Looking back we have achieved great success in the year 2019-2020, all our endeavours delivered value to our beneficiaries. The transformation has been unbelievable.

As the financial year was drawing to a close, we were all getting ready to handle unexpected new challenges in the form of Covid-19 a global pandemic. The world began to change. Covid-19 brought with it a new set of challenges, requiring an extremely agile response. We wasted no time adjusting our mission with the newly expressed needs of the environment. We had very specific objectives - To protect our beneficiaries; To be there for our donors and To keep our people safe in the organisation.

Throughout the year we continued our commitment to deliver higher standard of quality. We continued to implement new training tools and technology in our pursuit to achieve better result. Most importantly through all the challenges our culture as created and sustained by our team was our greatest strength. We responded with creativity and sensitivity, continued to serve through collaboration and care for each other.

Thank you for being a continued part of LOLT and a warm welcome to all who have become a part of our family in this year. The LOLT team expresses its gratitude to each one of you for your sustained interest and support without which nothing could have been achieved.

Stay safe. Stay healthy. And please continue to take good care of yourself and your family. It's because of you that we share the light together with all.

With light to guide us always.

May God Bless you!

Financial Summary 2019-20

We are pleased to present Light of Life Trust's Financial Summary Fy20.

We take this opportunity to express our gratitude to all our continuing and new corporate donors, institutional donors and individual donors and seek their continued support in our journey towards fulfilling the vision of our organization.

Looking at Light of Life Trust's exceptional commitment and transparency in our work more and more corporates are now joining hands with us through their CSR funding. The percentage of total income has been continuously growing over the last three years as evident from the table below:

₹ in Millions		
Year	Total Income	YoY%
FY 2020	106	31.14
FY 2019	81	34.47
FY 2018	60	15.04

The financial year FY20 ended with the onset of the COVID-19 pandemic and the national lockdown declared by the Govt. of India. This has dramatically changed the world with profound implications for the world of business and our societies. In this surrounding uncertainty, the only thing that can be said with certainty is that the post COVID era, will permanently change the way we live, work and socialise.

Much like other businesses operating in the COVID-19 pandemic, our organisational agility and adaptability have been put to the test.

We are truly grateful to all our partners - corporate, institutional and individual donors, who have supported us unconditionally to accomplish our objectives.

Ramesh Daswani
