Founder's Message

Dear Friends,
Greetings and good wishes!

With our world in crisis, conflicts, disasters and turmoil, we at LOLT have worked hard to create progress, empowerment, and prosperity in Rural India. Particularly in some of the most fragile regions like Odisha and Nandurbar.

Looking back, having been established in 2002, today in 2022 we have been extremely successful in transforming the lives of underprivileged rural communities.

Our Project Anando initiated in 2005, with 25 students of Karjat, over the years it has impacted 19311 children, 1204 teachers directly, and 192956 community members in the state of Maharashtra, Madhya Pradesh, Rajasthan and Odisha. We have clearly realised that : Education can break the generational cycle of poverty in India!

During the Corona pandemic digital learning became the lifeline for continued learning. LOLT took up the challenge and started digital learning by providing tablets to the children loaded with textbook content, thus eliminating the need for internet connectivity.

As a COVID-19 relief support programme, the Light of Life Trust reached out to 67 villages where family members from 2823 households received grocery kits and health support kits!

The second vertical Jagruti, which is a community development programme initiated by the Light of Life Trust, supports the holistic development of rural communities and reaches out to more than 205373 beneficiaries of underprivileged families of livelihood training programmes. Underprivileged youths have achieved financial

independence by mastering training for different professions and entrepreneurship!

Our Medical mobile vans reach out to remote areas to provide medical facilities where no healthcare exists!

Also, we have made great strides in environmental conservation supporting poor farmers and generating additional income by providing them with fruit bearing saplings. So far 6208 farmers from 150 villages have been benefitted!

The Light of Life Trust has reached out to 398329 beneficiaries to date, across the states of Maharashtra, Rajasthan, Madhya Pradesh and Odisha .

Another event innovation was **I Run, THEY LEARN!** - An international virtual marathon, where more than 7000 national & international participants joined us in running to create awareness about the importance of education!

We are happy to share that we received several awards and felicitations for our outstanding and dedicated work during the difficult period of COVID-19 pandemic. The first one was an Appreciation Award from the District Collector of Raigad. And another Award was by Inner Wheel of Jalna Central.

Looking at our performance during this challenging period, I am very hopeful and optimistic about our new year!

We pray to God to give us the strength to achieve our vision and goals for 2022, these are challenging times for nonprofit organizations but they are also ripe for new opportunities!

These times call for strong leadership and impactful strategies! Today we celebrate our accomplishments and progress because of all your support!

At LOLT, we are truly inspired by our board of trustees, donors, teachers, mentors, and all vision partners! We believe that : "together we do better", It is our team spirit which enthusiastically drives us to achieve our best!

And so with this humility and commitment, we are determined to do better every year and keep up the good work!

We believe that LIGHT OF LIFE, IS THE WAY OF LIFE!
May God bless you all!
